

When a family
faces its hardest
moment, what
does meaningful
support look like?

The first and only child disability insurance in the U.S.

Up to \$500k in cash

Monthly cash payments
for any purpose

Coverage for all kids

Ages 0-26, including adopted,
foster, and step children

Caregiving guidance

Access to a Care Navigator
for personalized planning

If we'd had Juno, it would have
changed everything for our
family. We could have focused
on Owen—not on survival."

Lindsey Topping-Schuetz

Rare Disease & Pediatric
Palliative Care Leader

Closing the largest gap in financial protection for families

Families with a child with a severe disability:

41

more hours per week caregiving

73%

of primary caregivers quit or reduce hours

86%

experience financial hardship

Trusted by leading unions and companies

50,000+
